FREQUENTLY ASKED QUESTIONS...

How much do I need for a deposit?

For Weddings, the minimum deposit is \$200 for limousines up to 14 passengers, and \$300 for 15+ passenger limousines.

PLEASE KEEP IN MIND THAT ANY BALANCE DUE THE DAY OF AN EVENT IS TO BE **CASH ONLY**.

ALL DEPOSITS ARE NON-REFUNDABLE.

Many of our reservations are made 12+ months in advance. At that point, only 2 things are required, the date and the exact vehicle that you want to rent. Any other details can come later. Please do not lose out because you are thinking about small details. It actually happens quite often.

I have a balance due on my date. How can I pay?

For all events, we accept cash/check or charge cards with the following restrictions.... Checks, money orders and cashiers checks are accepted if received by us at least 15 days in advance of your event. ALL balances due the day of your event are to be **CASH ONLY**. Credit cards are accepted up to 2 days in advance. Credit cards also incur a 3% STC charge **AFTER** the deposit. **There is no fee for deposits paid with a credit card, even if it is paid in full.**

Can I bring my own alcohol?

Yes, of course, in any limousine, Trolley, & Limo Bus. All limousines are equipped with coolers and ice. Alcohol is **NOT** allowed in sedans or non-stretch vehicles. The legal definition is that there must be a divider between the chauffeur and the passengers. **NO BOTTLES OF BEER ARE ALLOWED.** All the cans you'd like are fine. **NO RED WINE** is allowed due to the staining possibilities. Remember, you are in a moving vehicle, and it is not the chauffeurs fault that he hit the brakes, and you spilled your beverage.

Underage drinking cannot be tolerated. If at any point, a minor is in possession of alcohol, or appears intoxicated, the service will be terminated immediately, and parents must come and take charge of the minor. If a parent is not available, the local police will be called, and the entire group discharged from the vehicle.

If at any time anyone possesses any illegal drugs, the trip will be immediately terminated, and if there is any dispute at all, the police will be called.

Can we smoke in the vehicle?

No, All of our vehicles are NON-smoking. This is also prohibited by Illinois law.

Can we eat in the vehicle?

For any food that is brought into the limo, there is an automatic standard \$50 cleanup fee. You are responsible for any additional cleanup fees associated with damage or cleanup above and beyond the norm. (sweeping and vacuuming) Certain foods, such as pizza, or anything that can cause major stains, are not allowed. If you choose to bring sandwiches, etc. into the limo, it is in everyone's best interest to not bring ketchup, mustard, mayonnaise, etc. to avoid any additional cleanup fees or staining dresses. The best snacks to bring would be pretzels, power bars, trail mix, etc. No chocolate, Cheetos etc.

How many people can I squeeze in your limo?

A super-stretch Lincoln limousine, the standard vehicle in the limousine industry, holds up to 8 passengers. It is also INSURED for up to 8 passengers. If a company overloads a vehicle, and has an accident, you simply will be out of luck if you need to collect damages. Also, you need to take into consideration the comfort level of yourself and the other passengers. It is also against FEDERAL LAW, and our business can be shut down completely.

Those companies that will "squeeze" more than the legally allowed amount of people into a vehicle aren't taking into consideration dress sizes, elbow room, or varying sizes of the passengers. We will NEVER overload a vehicle; we have capacity for up to 34 passengers in a single vehicle. We advertise all of our vehicles based on the DOT rating that the manufacturer follows. Think of the maximum capacity as that many airline seats. You do not want to completely max out a limousine if not necessary. After all, the point is to be comfortable.

Am I guaranteed the vehicle stated on my contract?

Many companies use the "Bait & Switch" technique. They will tell you that they have any vehicle that you need, and simply send what they have. EVERY contract will state that we can "substitute" a similar vehicle the same or larger than the one you are asking for. Once a contract is confirmed, and signed by us, the vehicle stated is 100% guaranteed. WE never rent anything that we do not own, unless you are 100% aware from the very beginning that we do not own it. In the unlikely event of a mechanical issue, etc., and your specific vehicle cannot be provided, we will call immediately, explain the vehicles available for substitution, and you have the choice of accepting another vehicle, or voiding the contract and receiving a full refund of your deposit. I can point to many web sites that show pictures of MY Trolleys, but you will have something completely different show up.

What is your cancellation policy?

All cancellations MUST BE IN WRITING, either by email, fax or registered letter. The email address is LimoDan57@gmail.com. **All deposits are NON-refundable.** Wedding and Prom cancellations must be submitted in writing by certified mail ninety (30) days prior to the date of service, or the full balance on the contract is due.

Can I change/downsize/upsized the vehicle on my contract?

Yes, when a different limousine is still available, but your original deposit will be **forfeited**, and a new deposit will be required. Think about how many other customers that I have declined because the vehicle that they wanted.....you already had reserved.

Is there a charge for waiting time?

For point to point services, we always allow up to a 10 minute grace period to load luggage, or to gather your group together. After 10 minutes, you are billed in half hour increments for waiting time, starting at the original pickup time. For hourly service such as weddings, we bill in ½ hour increments. At 10 minutes past the scheduled end time, you are billed for the next 30 minute increment.

Do additional stops cost extra?

On hourly packages, such as weddings, there are no additional charges for extra stops. This includes taking Home to church, to pictures, stopping at home, to the reception, etc. This does NOT apply if you want to use the vehicle as a shuttle service or to tour around with no specific destinations in mind. We do not "Cruise" aimlessly in any of the vehicles. "Picture Packages" where we pick up after the ceremony to drive around only for pictures will incur extra fuel/location charges. On airport transfers, and point-to-point transfers, additional stops are extra. The rates will be determined by the distance between, or the amount of extra time they consume. Call for specifics.

What if we decide we want the car for a longer period of time?

As long as the vehicle isn't scheduled to be somewhere else, we will gladly extend the length of your event. This is completely dependent upon scheduling. The best rule is to schedule for as long as you feel you may need the vehicle, but there is no refund for unused time, so being punctual counts.

What if someone throws up or damages the interior/exterior of the vehicle?

The passenger making the reservation is responsible for the **entire group**. Any damages are the responsibility of the individual renting the limousine. So are any legal fees and court costs associated with collections. Cleanups involving professional carpet shampooing, such as vomit, **START** at \$250.00. Rips and tears **START** at \$200.00. The customer is also responsible for lost time that we can not use the vehicle due to damages. The final total will be assessed after billing is received, and lost time is figured.

Abusive Customers

Abusive customers will not be tolerated. Our goal is to provide you with safe, dependable transportation. Any abuse, foul language, etc. towards the chauffeur or abuse of the vehicle will not be tolerated, and the service will be terminated immediately. There will be no refunds for unused time.
