All of our specialty vehicles require a 4 hour consecutive minimum. We “SPLIT” the time for you, and do not charge while you are in the dance itself, with a minimum of 2 hours before, and 2 hours after the dance to be used. With that said, there is an exception to every rule. This would be mainly due to Distance, Date, and Time of Day. You would need to call or email to see what is possible.

FREQUENTLY ASKED QUESTIONS...

How much do I need for a deposit?....There is a credit card required for deposits on airport services.

For Proms, a minimum of ½ down is required to reserve.

Please keep in mind that all balances must be paid 14 days in advance.

I have a balance due. How can I pay?....For all events, we accept cash/check or charge cards with the following restrictions.... Checks, money orders and cashiers checks are accepted if received by us at least 15 days in advance of your event. ALL balances must now be paid 14 days in advance. Credit cards incur a 3% STC charge only AFTER the deposit. We do waive the 3% charge for initial deposits.

Alcohol...Underage drinking is illegal and cannot be tolerated. If at any point, a minor is in possession of alcohol, or appears intoxicated, the service will be terminated immediately, and parents must come and take charge of the minor. If a parent is not available, the local police will be called, and the entire group discharged from the vehicle. Lets be clear.....the chauffeur and owner can be help liable if your children do something stupid. We will not let that happen.

If at any time anyone possesses any illegal drugs, the trip will be immediately terminated and the police will be called.

Can we smoke in the vehicle?No, All of our vehicles are NON-smoking. This is also prohibited by Illinois law. This includes "vaping"

Can we eat in the vehicle?....For any food that is brought into the limo, there is an automatic standard \$50 cleanup fee. You are responsible for any additional cleanup fees associated with damage or cleanup above and beyond the norm. (sweeping and vacuuming) Certain foods, such as pizza, or anything that can cause major stains, are not allowed. If you choose to bring sandwiches, etc. into the limo, it is in everyones best interest to not bring ketchup, mustard, mayonnaise, etc. to avoid any additional cleanup fees. The best snacks to bring would be pretzels, power bars, trail mix, etc. No chocolate, Cheetos etc.

How many people can I squeeze in your limo?A super-stretch Lincoln limousine, the standard vehicle in the limousine industry, holds up to 8 passengers. It is also INSURED for up to 8 passengers. If a company overloads a vehicle, and has an accident, you simply will be out of luck if you need to collect damages. Also, you need to take into consideration the comfort level of yourself and the other passengers. It is also against FEDERAL LAW, and our business can be shut down completely.

Those companies that will "squeeze" more than the legally allowed amount of people into a vehicle aren't taking into consideration dress sizes, elbow room, or varying sizes of the passengers. They are also violating the law. We will NEVER overload a vehicle; we have capacity for up to 34 passengers in a single vehicle. We advertise all of our vehicles based on the DOT rating that the manufacturer follows.

Think of the maximum capacity as that many airline seats. You do not want to completely max out a limousine if not necessary. After all, the point is to be comfortable.

Am I guaranteed the vehicle stated on my contract?....Many companies use the “Bait & Switch” technique. They will tell you that they have any vehicle that you need, and simply send what they have. There are dozens of companies that steal pictures of our brand new Limos, Buses and Trolleys to pretend they own them, only to send you something much older and worn out. EVERYones contract will state that we can “substitute” a similar vehicle the same size or larger than the one you are asking for. Once a contract is confirmed, and signed **by us**, the vehicle stated is 100% guaranteed. We never rent anything that we do not own, unless you are 100% aware from the very beginning that we do not own it. In the unlikely event of a mechanical issue, etc., and your specific vehicle cannot be provided, we will call immediately, explain the vehicles available for substitution, and you have the choice of accepting another vehicle, or voiding the contract and receiving a full refund of your deposit.

What is your cancellation policy?All cancellations MUST BE IN WRITING, either by email, fax or registered letter. The email address is LimoDan57@gmail.com. **All deposits are NON-refundable.** Wedding and Prom cancellations must be submitted in writing by certified mail fourteen (14) days prior to the date of service, or the full balance on the contract is due.

Can I change/downsize/upsized the vehicle on my contract?..... Yes, when a different limousine is still available, but your original deposit will be **forfeited**, and a new deposit will be required. Please confirm your details BEFORE making a reservation. There is a very small window for us to take reservations.

Do additional stops cost extra?.....On hourly packages, such as weddings and Proms, there are no additional charges for extra stops. This includes taking Home to church, to pictures, stopping at home, to the reception, etc. This does NOT apply if you want to use the vehicle as a shuttle service or to tour around with no specific destinations in mind. We do not “Cruise” aimlessly in any of the vehicles. “Picture Packages” where we pick up after the ceremony to drive around only for pictures will incur extra fuel/location charges. On airport transfers, and point-to-point transfers, additional stops are extra. The rates will be determined by the distance between, or the amount of extra time they consume. Call for specifics.

What if we decide we want the car for a longer period of time?As long as the vehicle isn’t scheduled to be somewhere else, we will gladly extend the length of your event. This is completely dependent upon scheduling. The best rule is to schedule for as long as you feel you may need the vehicle, but there is no refund for unused time, so being punctual counts.

What if someone throws up or damages the interior/exterior of the vehicle?The passenger making the reservation is responsible for the **entire group**. Any damages are the responsibility of the individual renting the limousine. So are any legal fees and court costs associated with collections. Cleanups involving professional carpet shampooing, such as vomit, **START** at \$250.00. Rips and tears **START** at \$200.00. The customer is also responsible for lost time that we can not use the vehicle due to damages. The final total will be assessed after billing is received, and lost time is figured.

Abusive Customers

Abusive customers will not be tolerated. Our goal is to provide you with safe, dependable transportation. Any abuse, foul language, etc. towards the chauffeur or abuse of the vehicle will not be tolerated, and the service will be terminated immediately. There will be no refunds for unused time.
